Chairman (HBSEBL)

Message

It is a matter of great delight that HPSEBL Pensioners Welfare Association is going to organise its fourth General Conference on 5th June, 2019 and a souvenir is also being brought out by the organisers to mark the occasion.

HPSEBL is serving the State in every part through its officers and employees. HPSEBL Pensioner Welfare Association is also working for the welfare of society with its experienced members. Such associations can play important role in development of the State.

I hope that the conference would prove useful for the members and other participants

I extend my best wishes for a promising event and publications of souvenir.
