It gives me immense pleasure to know that HPSEB Pensioners Welfare Association is organising 4th General Conference of the Association on 5th June, 2019 at Solan and to commemorate the occasion a souvenir is being brought out.

The pensioners of HPSEB have rendered valuable service to the people of the State during their prime while serving in the organization. The Association is also involved in various social welfare and philanthropic activities which is laudable and motivational for others.

I am sure that the General conference will go a long way in boosting the morale and rejuvenate the pensioners to work with more dedication for the society.

I wish the general conference of the association a grand success.
