## *Message*

It gives me happy to know that the State body of HPSEB Pensioners Welfare Association is organizing its 5<sup>th</sup> General Conference on 5<sup>th</sup> June, 2019 and a souvenir is being brought out to celebrate the occasion.

It is significant to mention here that celebration of such type of functions gives an opportunity for interaction amongst the various sections of employees of HPSEBL who have been retired. The services rendered by the retired officers/employees is commendable for achieving 100% electrification, construction of transmission and distribution network, sub-stations and power houses in the State in arduous conditions.

I hope such conferences help to provide a common platform for discussing various social and issues related to common cause and share experiences with each other which would further energises them to live the life happily.

I extend my best wishes to the organizers and participants and wish the General Conference a grand success.
