It is a matter of great pleasure that HPSEB Pensioners Welfare Association is organising its fourth General Conference on 5th June, 2019 and a souvenir is also being brought out by the organisers to commemorate the occasion.

The HPSEB has been excellent in the power sector by providing quality facilities and infrastructure to the public in State. It also engages itself to remain consistent in helping problems in various areas to upgrade them. HPSEB plays a pivotal role in development and innovative growth of state through its services.

I am sure that the conference would enhance knowledge of Participants in the fast changing world by providing a common platform to discuss important issues.

I wish the organisers a successful and Knowledgeable event. I extend my best wishes for publication of souvenir.
