## ***MESSAGE***

It is matter of pleasure that HPSEBL Pensioners Welfare Association (State Body) is convening its 4th General Conference on 5th June, 2019 at Solan. The Association plays an important and instrumental role in taking up the issue concerning the welfare of pensioners.

I have always been impressed with various activities which the association to performs for the common cause of pensioners and the society around.

It is a matter of pride that the association is representing thousands of pensioners. The association can work wonders, when, it with thousands of its members, stand for any common act. I hope that the association will continue to work for society and nation.

It gives me a sense of pride that I too have been a part of HPSEBL during my brief stint as Secretary, HPSEBL in 2000-2003.

On this occasion, I extend my warm greetings & felicitations to the association, Office Bearers and all the members and wish them success in all the future endeavours they plan to take up.

All the best
