It is a matter of pleasure that HPSEB Pensioners Welfare Association is organising fourth General Conference on 5th June, 2019 and to mark the occasion, a souvenir is also being brought out by the organisers.

HPSEB has been working for providing facilities throughout the State. HPSEB Pensioners Welfare Association has also been working for the welfare of society since its inception.

I am sure that the conference would help to discuss various important issues. I extend my best wishes for a successful event and hope that the souvenir with its informative contents will make the event long lasting.
